Position: Solicitor / Legal Executive / Paralegal (Property)

Location: Hexham Northumberland

Salary: Negotiable depending on experience

Practice Area: Residential Conveyancing / Commercial Property

Type: Full time

Job Description

An opportunity has arisen to join our busy practice in Northumberland dealing with all aspects of property law. We advise a wide range of clients (and generations) at various stages in their professional and personal lives.

We are encouraging applications from 2 years PQE to Associate level to fill a recent vacancy and to support Partners with an ever-expanding case load. We would be happy to hear from any NQ that has completed a Residential and Commercial Property seat as part of their training contract or from applicants who have experience in Agricultural Law.

The role:

- You will be responsible for your own caseload of Residential and Commercial matters including sales and purchases, re-mortgages, leases, transfers of equity and other general property matters under supervision.
- You will be able to deal directly with clients to take instructions and ensure full understanding in order to deliver on client expectations.
- Should you have a leaning towards Residential Conveyancing exclusively or Commercial Property exclusively then this will be discussed with you at interview.
- An ability to deal with all aspects of Agricultural Law, including sales and purchases, FBT / AHA and business sale and purchase agreements would be desirable but not essential.
- You will work closely with Partners to develop client relationship skills and effectively scope and price work.
